Danny,

Her attachments were the same as on your email, and don't touch on either comment. I also just realized that we don't have signage addressed. This is also something we are handling through the GC at the HQ…

Josh,
Please review OTJ's responses to your comments and GSA's comments too.

If you're OK with it, I will direct the Lessor to have OTJ issue the final CD for your sign-off/approval.

We can meet Thursday afternoon, if needed. Please advise.

Thanks
